NOTICE

Public Participation in Recirculation Work Group

The CALFED Bay-Delta Program is seeking interested members of the public to participate in a stakeholder work group. That work group will assist the CALFED Bay-Delta Program in formulation of alternatives for the feasibility study of recirculation of water pumped from the Delta by the Central Valley Project and the State Water Project to help meet San Joaquin River flow and water quality objectives. If you have questions or need additional information, please contact **Mr. Steve Roberts** at (916) 653-2118.
